

## Witch's Brew Cocktail

### Ingredients

- 2 ounces Viniq Original purple liquor
- 2 ounces dry Champagne or Prosecco
- dry ice

### Directions

1. Pour purple liquor into glasses.
2. Top with Champagne.
3. Drop in dry ice!

### NOTES:

Combine equal parts Viniq with Champagne in a large punch bowl or pitcher for multiple servings.

Caution your guests not to drink the dry ice cubes. This is easy to avoid, since dry ice sinks and stays at the bottom of glasses.

*Cheers!*
